Shared Futures Youth Alliance

YOUTH-LED · SINCE 2020

Organizational Profile

2026

Equipping adolescents, youth and women to **lead, thrive and shape** inclusive communities.

Adolescents | Youth | Community | East Africa

ABOUT US

01 Who We Are

Shared Futures Youth Alliance (SFYA) is a **youth-led organization** advancing adolescent development, youth leadership, women's empowerment and inclusive community development, with an **East African outlook**.

Founded in **2020** to respond to the effects of the COVID-19 pandemic on young people, SFYA has grown from crisis response into a platform that equips young people to lead.

TRACK RECORD

04 Our Experience

Since 2020, SFYA has built practical experience across several thematic areas:

Community Participation

Mobilising adolescents, youth and women to take part in community dialogues, local planning and youth-led initiatives, working with community leaders, schools and local structures.

Risk Communication & Community Engagement

Rooted in our COVID-19 response: awareness campaigns, tackling misinformation and youth-friendly messaging through peer networks and digital platforms.

Training & Skills Development

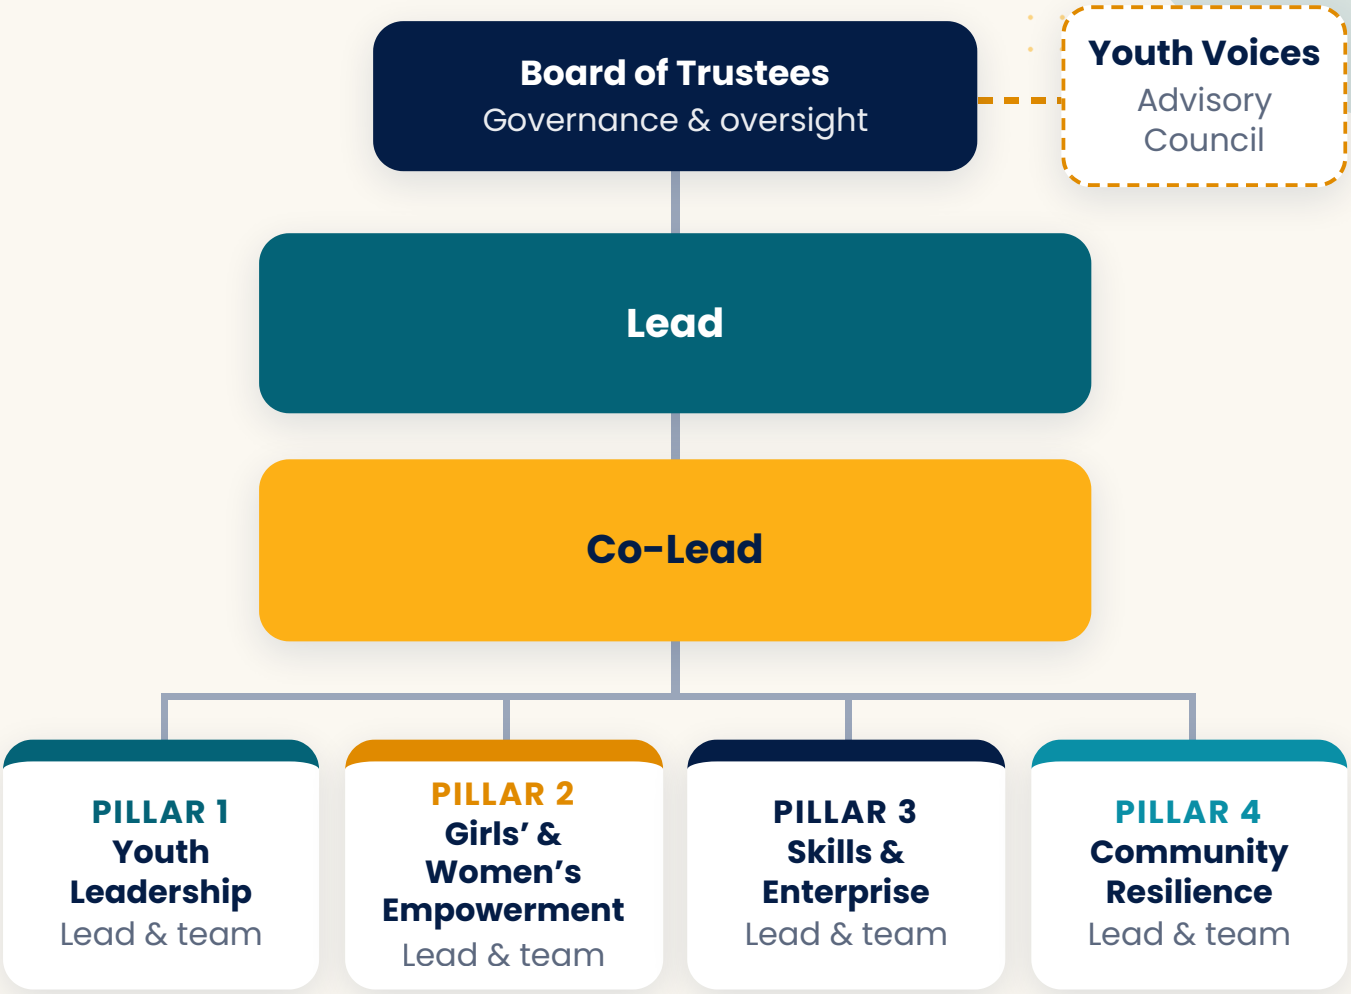

Life skills, leadership, digital and vocational training delivered in collaboration with local and international training institutions.

HOW WE DELIVER

- Peer-to-peer
- Community dialogues
- Digital platforms
- Partnerships

LEADERSHIP & GOVERNANCE

05 Our Team

OUR MEMBERS BRING EXPERTISE IN

- Economics
- Political Science
- Health
- Nutrition
- Education
- ...and more

WORKING TOGETHER

06 Partner With Us

- Communities
- Schools
- Government
- UN & donors
- NGOs & youth networks
- Private sector & academia

When adolescents, young people and women are **equipped, heard and connected**, they lead development.
